Sketch of proposed Development(s)

Please provide a sketch of the proposed development. Be sure to include the location of the proposed development compared to the location of any existing buildings, the location of other structures on the subject property with distances from property lines, and the dimensions of the proposed development.

A large empty rectangular box for sketching the proposed development. A compass rose is located in the top right corner of the box.

IMPORTANT NOTES:

1. Every application for a development permit shall be accompanied by the following information (if applicable):
 - (a) a site plan, in duplicate, showing: the registered legal boundaries, the location of any proposed development and any existing development, and proposed grades in relation to surrounding property, and provisions for off-street loading and vehicle parking facilities;
 - (b) floor plans and elevations and sections;
 - (c) a statement indicating the manner in which the applicant intends to conform to the conditions and standards applicable to the development proposed.
 - (d) A **non-refundable** fee, as per **Policy #PLDE 04-09**, shall accompany every application.
2. The Development Officer may deem a development permit application incomplete if any of the application requirements are incomplete or the quality of the information is deemed inadequate to properly evaluate the application.
3. Although the Development Officer is in a position to advise applicants of the process and requirements of the application, such advice must not be taken as official consent, and is without prejudice to the decision in connection with the formal application.
4. Any development started before the issuance of a development permit and expiration of the appeal period is at the applicant's own risk.
5. If a decision is not made within 40 days from the date the application is deemed complete, or within such longer period as the applicant may approve in writing, the applicant may deem the application to be refused and the applicant may exercise his/her right of appeal as though he had been mailed a refusal at the end of the 40-day period.
6. A development permit does not constitute a building permit or approval from any provincial or federal department. Construction undertaken subsequent to approval of this permit application may be regulated by the Alberta Safety Codes. The applicant/owner/developer assumes all responsibilities pertaining to construction plan submissions, approval and inspections as may be required by the appropriate provincial body. The applicant is responsible for determining and obtaining any other applicable provincial and federal approvals prior to commencement.
