FOR IMMEDIATE RELEASE
TOWN OF CLARESHOLM FIRE DEPARTMENT

FIRE ADVISORY - UPDATE

Due to the widespread precipitation and cooler temperatures; the Town of Clareholm is modifying its Fire Advisory

BURN PERMITS WILL BE ISSUED ON A CASE-BY-CASE BASIS

Back yard fire pits are still permitted as long as they conform to Town Bylaw 1705.

The Fire Department also advises that anyone having a backyard fire have water or a garden hose nearby, and ensure the area around your fire pit is soaked down prior to igniting the fire to reduce the risk of spread. Ensure your fire is completely extinguished when you are finished, soak the area, stir the coals, and soak again – it should be cold to the touch.

This update is in effect as of 12 Noon, Monday December 6th, 2021 and will remain in effect until further notice.

By order of:

Craig White
Fire Chief
Town of Clareholm
