

TOWN NEWS

The Town of Claresholm is pleased to announce the Claresholm Aquatic Centre will be opening July 20, 2020 for a Soft Launch

Lessons, Family Swims and JLC programs will be added after evaluating the success of the opening.

The Claresholm Aquatic Centre will be adhering to the guidelines released by the Province of Alberta, and due to the unique circumstance that the Facility is located in the Claresholm Center for Mental Health and Addictions, there will be additional measures taken to ensure the safety of those in the facility.

Reservations: There will be a maximum number of patrons allowed into the facility for each swim to ensure we are abiding by AHS Guidelines for physical distancing. Each patron/swimmer will be required to preregister. The link to the Reservation Line will be posted at <http://www.claresholm.ca/>, and registrations will begin July 15, 2020.

Payments: We recommend that customers prepay if possible due to logistical issues with flow of traffic and social distancing requirements, by Credit Card over the phone or e-transfer to payments@claresholm.ca.

Entrance: As the main doors remain locked, access will be the door to the right of the windows (by the hot tub) no more than 5 minutes before the scheduled swim time. You will be asked to remove your footwear upon entry to the facility.

Sanitizing & Screening: All patrons are required to use the sanitizing stations on entrance and exit from the facility and will be required to fill out a screening checklist with contact information upon arrival. Youth 17 and under must have an adult fill the form out. This form will be held for a minimum of 2 weeks as per guidelines.

Swimwear: All swimmers must come with swimwear on (under clothes), and you will be required to shower before entering the pool.
