Town Office Council Chambers 7pm Start - Public Welcome

SNOW & ICE REMOVAL

Property owners/renters AND business owners shall ensure the removal of ice and/or snow from any public sidewalk within 24 hours of such deposits. **BE SAFE! PLEASE KEEP SIDEWALKS CLEAR!** Also, when shovelling snow from the sidewalk, throw the snow onto your property rather than out into the street. This helps reduce the snow the plow has to pick up, gives spring moisture to the areas where you throw the snow, and can be a great insulator.

JANUARY-APRIL 2018 PROGRAM GUIDE
and registrations available December 4, 2017

During scheduled maintenance, we have found materials in our sanitary sewer system that may create concern with how the system functions.

Please ensure that items that do not decompose are not being flushed or washed down your drains.

Personal sanitary products including items such as baby wipes, absorbent pads, etc, paper towels and household grease should not be flushed.

Please help to keep our systems running smoothly. THANK YOU!
