It is a great time to clean YOUR alley.

The Town of Claresholm Peace Officer is currently performing property inspections, which includes alleys. Property owners are responsible for controlling the weeds, cutting the grass and ensuring the alleys adjacent to their properties are kept in a clean and tidy manner. There are several reasons for keeping alleys clean and tidy such as general traffic safety in the alley, fire department access and for the ease of waste pick up. Clean alleys are critical in the winter months to prevent snow from piling up in the alleys.
